Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 17 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy. Largely dry, once evening rain clears. Further rain Thursday.

This Evening and Tonight:
Rather windy, with outbreaks of rain at first, but these soon clearing north during the evening. Staying dry and windy for most thereafter, although one or two further spots of rain are possible by dawn. Minimum temperature 7 deg C (45 deg F).

Thursday:
Cloudy and windy morning, but mostly dry. Rain then spreading east around midday, before clearing through the afternoon. Sunny spells follow, with winds easing, but also the odd shower possible. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Dry, fine start Friday, before winds strengthen with outbreaks of rain later. Likely drier Saturday, before further rain possible overnight. Fine Sunday with some sunshine, but staying breezy. Mild throughout.
